

Sumit Mohan

Head – Technical Training | Academic & AI Education Leader

sumitmohan91@gmail.com | +91-99905-62197 | Portfolio: www.sumitmohan.com | [LinkedIn](#) | [GitHub](#)

Professional Summary:

Academic and technical training leader with 7+ years of experience in university-level instruction, curriculum design, and placement-oriented programs across Data Structures, Competitive Programming, and AI/ML. A key strength of my profile is the development of Code2Crack - an EdTech platform translating training strategy into robust, deployable systems for learning, assessment, and student progress tracking.

Professional Experience:

Code2Crack – Founder / Platform Architect

- Designed and developed Code2Crack, a scalable EdTech platform translating academic training strategy into deployable systems.
- Built end-to-end learning, assessment, analytics, and AI-assisted tutoring workflows aligned with industry hiring requirements.

Head – Technical Training (*Chitkara University, Punjab*) | Jan 2025 – Present

- Lead university-wide technical training initiatives across undergraduate programs
- Design and standardize industry-aligned curricula for placement readiness
- Mentor students for technical interviews and coding contests
- Collaborate with academic and placement teams to align outcomes with recruiter expectations

Senior Technical Trainer (*Sharda University, Greater Noida*) | Apr 2023 – Jan 2025

- Led structured training programs in Python, DSA, and Data Science
- Conducted intensive coding bootcamps focused on interview preparation
- Supported placement drives through technical assessments and mentoring

Head of Department – CSE (*SDGI Global University, Ghaziabad*) | March 2022 – April 2023

- Led academic planning, curriculum updates, and faculty coordination for the CSE department
- Strengthened industry interaction for student mentoring and placement initiatives
- Oversaw departmental operations and academic compliance

Training & Placement (*BIET Jhansi – Autonomous Institute*) | March 2019 – February 2022

- Conducted pre-placement technical training and career guidance sessions
- Coordinated industry talks, internships, and alumni engagement
- Mentored students for internships and early career roles

Assistant Professor (*IIMT, Greater Noida*) | August 2018 – March 2019

- Taught Programming and Data Structures & Algorithms

- Mentored students in coding fundamentals and logic building

Technical Skills:

- Programming: C, C++, Python, Java
- Data Structures & Algorithms: Arrays, Trees, Graphs, Dynamic Programming, Greedy Techniques
- Full-Stack Development: React, Node.js, REST APIs, SQL/NoSQL Databases, Authentication, Deployment Fundamentals
- GenAI: LLM Fundamentals, Prompt Engineering, AI Curriculum Design
- AI/ML: Supervised & Unsupervised Learning, Model Evaluation
- Data Science: Data Analysis, Feature Engineering, ML Pipelines

Academic & Administrative Leadership:

- Curriculum Design (Industry-Aligned) and Technical Training Delivery (UG–PG)
- Student Mentorship, Placement Readiness, and Faculty Development
- Academic Planning, Curriculum Updates, and Departmental Coordination (HoD)
- Examination Operations, Compliance, and Academic Logistics (Center Superintendent)
- Industry Engagement, Training & Placement Coordination, and Student Career Guidance

Achievements:

- Qualified UGC-NET and GATE (99 percentile), reflecting strong academic and analytical rigor
- Published SCI-indexed research (Impact Factor: 7) in applied machine learning
- Conceptualized and built Code2Crack, an institution-grade EdTech platform supporting structured learning, secure assessments, and placement readiness
- Led the design and delivery of industry-aligned technical training frameworks across Python, DSA, AI, and GenAI

Publications:

- **SCI-indexed:** COVID-19 Impact Prediction Using Hybrid ML Models
- **Scopus-indexed:**
 - Self-Driving Car – Lane Detection and Collision Prevention
 - COVID-19 Impact on Academics – A Sentiment Analysis Approach
 - Advanced Collision Prevention System Using Machine Vision
- **UGC-Care:**
 - Optimized Dynamic Round Robin Scheduling
 - Optimal Time Quantum Selection for Dynamic Round Robin

Educational Qualifications:

- **Ph.D.** in Machine Learning – AKTU, Lucknow (Expected 2026)
- **M.Tech** (2018), **B.Tech** (2016), **Polytechnic Diploma** (2013) – Computer Science
